

PROTECT GEORGETOWN

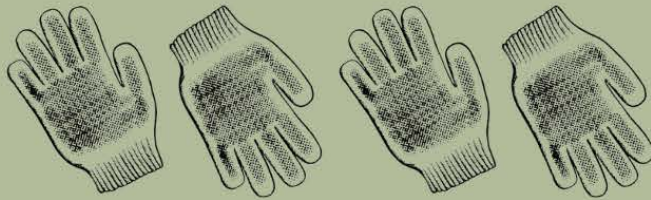

We need YOUR help to nip the
Stiltgrass Invasion in the bud!

Stiltgrass is our highest priority
invasive plant. Join our
community day to learn about
stiltgrass, slow its spread, and to
help remove it from your town.

September 2nd, 2026, 9:00am

Rain Date: September 3rd, 2026

**210 Robinhood Road
Georgetown, ME 04548**

Bring gloves, water, a weedwacker (and PPE) if you have one, and
friends to help protect Maine's natural areas!

Contact Chad Hammer to RSVP or for info!
