

PROTECT YORK

We need YOUR help to nip the
Stiltgrass Invasion in the bud!

Stiltgrass is our highest priority
invasive plant. Join our
community day to learn about
stiltgrass, slow its spread, and to
help remove it from your town.

September 10th, 2026, 9:00am

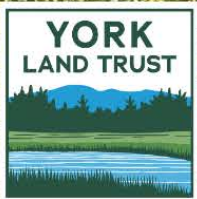

Rain Date: September 11th, 2026

**Vineyard Lane Cul-de-sac
(~1/2 mile in from Old Country Rd.)
York, ME**

Bring gloves, water, a weedwacker (and PPE) if you have one, and
friends to help protect Maine's natural areas!
